

It's time to order your 2018-2019 Westwood Yearbook!

New this year: Same price, MORE pages!

Once again, the entire 2018-2019 yearbook will be in full color but with one noticeable difference.....MORE pages! This will be the biggest book Westwood has ever created with a whopping 84 pages!! The best part is, the price will remain the same as last year! More pages at the same 'early bird' sale price of \$16 if ordered by December 31st!

All yearbooks must be pre-ordered and the number of yearbooks printed will be based on advance orders, so reserve a Westwood yearbook for your child now! Don't miss out!

You can order in 2 ways:

- ❑ **Order your yearbook on-line.** Go to **www.jostens.com**, Click on "yearbooks" then "buy your yearbook". Quick, easy and convenient!
- ❑ Complete and return the bottom of this form to your homeroom teacher in an envelope marked "yearbook". Please make checks payable to: **WESTWOOD PTO**. You may make one check out for multiple children, but please list each child and his/her homeroom teacher individually below.

The yearbook committee works hard to ensure **everyone** is included in the yearbook. To make this possible, we need thousands of photos. We attend school events to snap photos, but we'd love your help to make sure we have a picture of every student at Westwood. Please e-mail pictures you've taken at *school events* to

AnkenyWestwoodYearbook@Gmail.Com or upload them to the Yearbook App, **ReplayIt** (free App available on Apple and Android devices) or got www.replayit.com on your computer.
